About Us

Black Hill Systems, LLC is an American small business providing innovative solutions, systems, and products in the areas of cyber, engineering, analytics, logistics, and modernization. Our mission is to be at the forefront of science, security, technology, and innovation and to deliver superior capabilities at minimal cost. We hold ourselves at the highest of standards in the services we provide due to the great importance our work holds for our customers.

Our knowledge, solutions, and capabilities help our customers achieve maximum efficiency in their operations. The strength of the products and services we have delivered over our years of experience, our wide domain knowledge, the affordability and agility that comes with our small business culture, and the trust we have generated via our long-term customer relationships makes **Black Hill Systems, LLC** the right choice in achieving the best outcome at the lowest price.

Located in the Greater St. Louis Metropolitan Area places **Black Hill Systems, LLC** is ideally situated near facilities and corporations like Scott Air Force Base (USTRANSCOM, AMC, and SDDC), Ameren, Anheuser-Busch, BJC HealthCare, Boeing, Centene, Charter Communications, Edward Jones, Emerson Electric, Energizer, Express Scripts, Graybar, Mallinckrodt, Monsanto, Nestle Purina, Novus International, Olin, Pfizer, Scottrade, Sigma-Aldrich, SSM Health Care, Tenet Healthcare, Wells Fargo (formerly A.G.
